

## EMBRYO TRANSFER FEES

*Puget Sound Equine Reproduction Center*

### BOARDING FEES – PER DAY

See Daily Boarding Contract for Faith Equestrian.

### DONOR MARE FEES

Breeding through one heat cycle, including AI procedures, motility checks, Regumate, short cycle injection, HCG injection, multiple US repro exams, ET flush, non-surgical embryo transfer or shipment to Colorado State University (CSU).

Total donor mare fee	\$1000.00
----------------------	-----------

**RECIPIENT MARES** - If you have your own recipient, three mares are generally required:

Managing through one heat cycle, including Regumate, short cycling, HCG and multiple reproductive exams.

Total recipient mare fee for one mare	\$300.00
Total for three recipient mares	\$900.00

### ALSO AVAILABLE

Donor mare – Embryo flush & embryo prep for shipment or transfer	\$375.00
Recipient mare – non-surgical embryo transfer	\$225.00

### NOMINATION ENROLLMENT WITH CSU EMBRYO TRANSFER PROGRAM

If you do not have recipient mares available, we may send the embryo recovered from your donor mare to a suitable recipient program such as Colorado State University. Contact CSU directly for current fees - 970.491.8626.

If you prefer to have your veterinarian manage your mare(s) for you before and afterward, we would be happy to give you an estimate specific to your needs.
